## **RESPECT FOR PERSONS AND THEIR GOODS**

*Catechism of the Catholic Church  
Article 2407 & 2727*

"In economic matters, respect for human dignity requires the practice of the virtue of temperance, so as to moderate attachment to this world's goods; the practice of the virtue of justice, to preserve our neighbor's rights and render him what is his due; and the practice of solidarity, in accordance with the golden rule and in keeping with the generosity of the Lord, who "though he was rich, yet for your sake . . . became poor so that by his poverty, you might become rich" (2 Cor 8:9.).

We must also face the fact that certain attitudes deriving from the mentality of "this present world" can penetrate our lives if we are not vigilant. For example, some would have it that only that is true which can be verified by reason and science; yet prayer is a mystery that overflows both our conscious and unconscious lives. Others overly prize production and profit; thus prayer, being unproductive, is useless. Still others exalt sensuality and comfort as the criteria of the true, the good, and the beautiful; whereas prayer, the "love of beauty" (philokalia), is caught up in the glory of the living and true God. Finally, some see prayer as a flight from the world in reaction against activism; but in fact, Christian prayer is neither an escape from reality nor a divorce from life."

## **EL RESPETO DE LAS PERSONAS Y SUS BIENES**

*Catecismo de la Iglesia Católica  
Artículo 2407 y 2727*

"En materia económica el respeto de la dignidad humana exige la práctica de la virtud de la templanza, para moderar el apego a los bienes de este mundo; de la justicia, para preservar los derechos del prójimo y darle lo que le es debido; y de la solidaridad, siguiendo la regla de oro y según la generosidad del Señor, que "siendo rico, por vosotros se hizo pobre a fin de que os enriquecierais con su pobreza" (2 Co 8, 9).

También tenemos que hacer frente a mentalidades de "este mundo" que nos invaden si no estamos vigilantes. Por ejemplo: lo verdadero sería sólo aquello que se puede verificar por la razón y la ciencia (ahora bien, orar es un misterio que desborda nuestra conciencia y nuestro inconsciente); es valioso aquello que produce y da rendimiento (luego, la oración es inútil, pues es improductiva); el sensualismo y el confort adoptados como criterios de verdad, de bien y de belleza (y he aquí que la oración es "amor de la Belleza absoluta" [philocalía], y sólo se deja cautivar por la gloria del Dios vivo y verdadero); y por reacción contra el activismo, se da otra mentalidad según la cual la oración es vista como posibilidad de huir de este mundo (pero la oración cristiana no puede escaparse de la historia ni divorciarse de la vida)."

St. Michael the Archangel, defend us in Battle; Be our safeguard against the wickedness and snares of the Devil. May God rebuke him, we humbly pray, and do Thou, O Prince of the Heavenly Host, by the power of God, cast into Hell, Satan and all the evil spirits, who prowl about the world, seeking the ruin of souls. Amen.

### Oración a San Miguel Arcángel

San Miguel Arcángel: defiéndenos en la batalla. Sé nuestro amparo contra la perversidad y las asechanzas del demonio. ¡Reprímale Dios, pedimos suplicantes! Y tú, Príncipe de la Milicia Celestial, arroja al infierno a Satanás y a los demás Espíritus malignos que andan dispersos por el mundo para la perdición de las almas.
